Dear Sir or Madam:

Applicant herein responds to the Office Action of December 9, 2003. Applicant respectfully elects the Examiner's restriction and amends the application.

Please amend the above-identified application as follows:

the u-shaped rim comprising locking means configured to tightly fit over the flange so that the rim interlocks with the flange, the u-shaped rim defining a channel and the rim further comprising a sealing member fitted within the channel to seal the rim onto the flange

the lid comprising a size to snap lock onto the ridge so as to tightly close the opening.

#### BASIS FOR AMENDMENTS

Claim 25 was amended to clarify the direction of Claim 26.

#### SUMMARY

Claim 25 was amended to clarify claim 26. In view of the foregoing, it is respectfully submitted that the present application is in condition for examination.

Respectfully submitted,

Jo Katherine D'Ambrosio
